Lisa - Adult Female

Dexter - Adult Male

**Lisa**

Come on Dexter...all these bizarre events in the world and you don't believe any of it?

**Dexter**

No not a word.

**Lisa**

Not even a little?

**Dexter**

You know what I believe? I'll tell you what I believe. One day, every crazy, weird, thing that ever happened will be fully explained by science or mathematics. There is no supernatural. Just super gullible jerks.

**Lisa**

Getting a little worked up here, don't you think?

**Dexter**

If there's a supernatural, may lightning strike me RIGHT NOW! .... See? Nothin!
