

ADULT FEMALE/ADULT MALE

Sharon – Adult Female

Daniel – Adult Male

Sharon

Mike has kids to support. It wouldn't hurt you to call the Commissioner and persuade him to give the guy his job back.

Daniel

Why? So Mike can use his badge to start hounding me again?

Sharon

Hounding you? You may be able to sell everybody else on that idea, but I know the real story.

Daniel

I must be having a memory lapse. Isn't Mike the man who threatened to take your child away from you?

Sharon

Yeah, and you're the man who used that situation to make Mike nuttier than he already was. You've got his wife and her money! So why can't you at least help him get his job back?

Daniel

Because, I don't want to.

Sharon

Well... that settles it then, doesn't it?
