Lindsey

Bret, before you go to the library...

Bret

Yeah?

Lindsey

Richie's been acting a little weird.

Bret

How can you possibly tell?

Lindsey

Well, the last couple of days he's come home from school and gone straight to his room with the sports section. He won't tell me what's up. I think you should talk to him.

Bret

I'd love to, but the kid lives in a fantasyland. Honestly, if he worked for me, I'd fire him. No notice, no severance, I wouldn't even let him keep a hat with the company name on it.

Lindsey

Honey, he doesn't work for you.

Bret

He doesn't work period.

Lindsey

Just talk to him.
