Andrea

Come in...Can I help you?

Cathy

I'm answering the ad on the wall.

Andrea

Oh great, I'm Andrea.

Cathy

My name is Cathy.

Andrea

Cathy, where are you from?

Cathy

Originally from Texas, but I grew up in Japan.

Andrea

Do you speak Japanese?

Cathy

Yes, I do.

Andrea

That's great. I was an Asian art major, and now I'm working on my Masters Thesis. I'm looking for someone to help me translate some of the texts I've researched. Do you think you could do it?

Cathy

I can try!

Andrea

Sounds good. You're hired.
