Will

Aw, geez!

(Will drops the plate on the table, waking Mark)

Mark

I'm up! I'm here! I'm up! More coffee. I'm pulling a double in the ER today, Sheryl, and I can't – ...you're not Sheryl.

Will

I'm Will. And you ate my pancakes.

Mark

Will? Oh that's right, the son. I'm renting a room from your folks.
(Offering his hand) Mark Reed, Doctor Mark Reed. Still sounds weird.
Listen, I'm sorry about the pancakes. I'm going on two hours sleep and fourteen cups of coffee. This residency is killing me.
