Janet

By the way, I'm going to the movies later.

John

(Laughing) I don't think so. You're still grounded for driving my lawnmower to the 7-11.

Janet

We were completely out of nachos. Besides, that grounding ended yesterday.

John

What about your punishment for giving the elderly couple the finger? Not very lady like.

Janet

I apologized to them, in writing. Face it, I'm not on any discipline right now. I'm totally free!
