Wes

I'm like the fourth generation in my family to go to Penn. My folks would wig if I left.

Kurtis

So?

Wes

So, I'd kill myself if I had to move back in with them again.

Kurtis

Then don't. Move in with us.

Wes

And take over Tommy's space?

Kurtis

Totally. We've gotta find a new roomie anyway. Better you than some random loser.

Wes

Gee thanks.

Kurtis

Now you just need to figure out what to tell your parents.
