**Alison**

Daddy, can I go to the mall?

**Nino**

No, Alison, you're grounded.

**Alison**

For what?

**Nino**

For going to the mall, remember?

**Alison**

That wasn't my fault. It was Amy's. She had to buy Alanna a birthday present. This really cool sixties retro binder.

**Nino**

Sweetheart, can we talk about this later?

**Alison**

You never listen to me!
