Being grounded stinks. Someone should write to Amnesty International to free us.

Bridget

Parents are dictators. It's like getting an allowance from Khaddafi.

Laura

At least your dictator cooks. I've got to eat my Mom's tacos tonight. If I die, scatter my ashes at the local Denny's.

Bridget

It's so unfair! First my mom forces me to do something I don't want to do, then she freaks out when I do something she does all the time!

Laura

I didn't do anything! I should sue, but I don't think my mom would pay for the lawyer.

Bridget

The point is that we are old enough to make our own decisions now and we have to learn to stand up to them!

Laura

Exactly! Let's make a pact. As of now, we are through being intimidated!
