Nicole

Oh, my god. Is this not the most beautiful dress you've ever seen?

Jamie

Well, for three hundred and ninety-eight dollars it should be.

Nicole

Good-bye beautiful. I loved you. But it wasn't meant to be.

Jamie

Unless...you buy the dress, keep the price tag on and then return it the next day.

Nicole

Great idea, Winona. Isn't that kind of ...illegal?

Jamie

Relax, people do it all the time. What do you think happened to my dad's big screen TV the day after the Super Bowl?

Nicole

I wondered why we had to watch the game through bubble wrap.

Jamie

Okay, whip out the Visa. You're getting this dress.

Nicole

No way. My dad said it's just for emergencies.

Jamie

This is an emergency. A fashion emergency!
