Sandra

I don't think I'm gonna go to school today.

Tiffany

What? I thought you liked school.

Sandra

I do, I was just thinking of taking a day off. Watch some TV, maybe give myself a pedicure...

Tiffany

Oh, a pedicure? I had no idea it was "spa day"! We should all stay home.

Sandra

Mom and Dad left me in charge, so you are going to school.

Tiffany

Mom and Dad left us both in charge!

Sandra

Actually, I'm older than you so I have more authority.

Tiffany

Well then who is in charge of you?
