TEEN FEMALE/TEEN MALE

Deborah – Adult Female/Teen Female

Ray – Adult Male/Teen Male

Ray

You know I never meant to hurt you, Deborah.

Deborah

But you did.

Ray

Yeah. I guess I did. And you're still angry with me, or you wouldn't be looking at me that way.

Deborah

No. I'm not angry. I'm trying not to be so quick to judge people. But it's hard to shake off all that hurt.

Ray

I'm sorry.

Deborah

Don't be. I'll get over it. I've grown up a lot since we were together, you know. I'm not a kid any more.

Ray

(Smiles) That's too bad. I hoped you would never get over me.

Deborah

Oh I didn't say I would get over you, just the hurt.
