Jenny

Hey are you sleeping?

Paul

Well, I was.

Jenny

Well put some shoes on. I hate getting there late.

Paul

Okay, I'm lost. Late where?

Jenny

The concert. Remember? We're going to the Weezer concert in Houston.

Paul

Jenny, I never promised any such thing. You told me you had two tickets to the concert and I said...

Jenny

You said, "It sounds like fun." So here I am.

Paul

"It sounds like fun" just meant that it sounded like fun for you and whoever you were going with. I didn't know it was an invitation for me personally.

Jenny

Well it was.
