I might not know karate, but I know crazy!

Michelle

(Laughing) Ease up, Jackie Chan. It's me Michelle. We used to be neighbors.

Alan

Chicken legs? Look at you. Wow, you got big.

Michelle

(Looks at him up and down) And so did you.

Alan

Hey, we just flew in from Cleveland yesterday. I've got major jet lag. What're you doing here anyway?

Michelle

I stop in here to put on my makeup before school. I can't tarnish my image as "Daddy's little girl" at home.

Alan

Why do you put all that mess on your face?

Michelle

Oh come on, it's just eyeliner. Even the Olsen twins wear it.
